The screenshot shows a web application interface for technical standard review and approval. The interface includes a top navigation bar with links for Log Out, Help, Customer Service, Customize, GCAS Search, and a GO button. Below the navigation bar is a sidebar with a large CSS logo and a list of roles: Approved Standards, Originator, Peer Reviewer, Approver, Standards Office, and Maintenance. The main content area displays a list of comments for a specific technical standard, identified as MPS 2227486.001: Integration Test. The comments are organized into columns: Date of Comment, Description, Author, Summary Thought, and Ref Document. The first comment is dated 01Dec2000 and describes a CR:Approval Demo 12/17, with the author Lisa Gilbert and the summary thought 'This looks good. You need to update the packaging requirements.' The interface also includes a search bar, a list of actions (Display, Actions), and a status bar at the bottom.

The screenshot shows a web browser window with a toolbar at the top. The main content area features a navigation menu on the left with the following items: Log Out, Help, Customer Service, Customize, GCAS Search, Approved Standards, Originator, Peer Reviewer, Approver, Standards Office, and Maintenance. A "GO" button is located next to the "GCAS Search" field. Below the navigation menu is a large "CSS" logo. To the right of the logo is a text input field labeled "110". Below this field is a text box containing the text "Type your password to apply your electronic signature to this change request." To the right of this text box is a login form with two input fields: "Login ID:" (containing "tv 6960") and "Password:". Below these fields are "OK" and "Cancel" buttons. The "OK" button is labeled "112" and the "Cancel" button is labeled "114". The bottom of the browser window shows a status bar with the text "PSU".
